14. Is there anything else you would like us to know about why the LGBT community should support your candidacy?

I am proud that back in 2010 I led the effort, against severe political opposition, to establish a county-wide Human Rights Ordinance. This ordinance makes it illegal to discriminate against anyone in Leon County based on their age, race, color, religion, national origin, ancestry, disability, marital status, familial status, sex, gender, gender identity or expression, or sexual orientation with regard to employment, housing, or public accommodations. I also supported the 2013 ordinance that established a Domestic Partnership Registry, ensuring that non-married committed domestic partners receive their legal rights when it comes to some of the most important moments in our lives, such as visiting loved ones in the hospital.

By signing this questionnaire, you are stating that if selected you would accept the public support and endorsement of the Capital Equality Caucus and the Florida LGBT Democratic Caucus.
