Greetings!

The Capital City GLBTA Democratic Caucus, a chartered chapter of the Florida GLBT Democratic Caucus, consists of gay, lesbian, bisexual, transgender and supportive (ally) Democrats in North Florida. We are united in a common purpose to strengthen and further the ideals and principles of the Democratic Party, which recognizes and promotes diversity, good will, and respect for all members of the community.

It is our pleasure to inform you that the Executive Board of the Capital City GLBTA Democratic Caucus has recently voted to support your candidacy for Mayor of Tallahassee.

While our organization's bylaws do not allow us to formally endorse your candidacy or to provide any financial support at this time, we feel that your proven record of leadership in our community makes you an excellent fit for this position, and your outspoken support of equality for all people serves as a testament to your ability to represent the best interests of all Tallahassee citizens.

We are proud to support your bid for Mayor of Tallahassee! If we can provide any assistance to you, now or in the future, please do not hesitate to reach out to us.

In community,

Andy Janecek
President
